Promo Radio - Share Your Music!!

May 22, 2018 New York New York I have watched my son start to enjoy music. He is 4. He loves music, but he will not understand that he must listen to certain songs and he will not listen to others. I have played his favorite music over and over again and he will not listen to them anymore. When I play other songs he may not like, but after he hears this song and likes it, we will watch some videos and listen to some songs before we go to bed. His favorite song is "I Will Survive" by Gloria Gaynor. I am a single mother, I work and I take care of my child, so I have not had time to create. The last song that I created was "Out There" by Sara Bareilles for my son. I made this song for fun and it was something that I could do for him. I do not have time to do more. Hi, my name is Ashley & I have no technical expertise to help you out, but I can tell you how I'm dealing with these issues. You may be ready for this if you're just as frustrated as me with how slow my iPromoRadio is. I have been using the free version & as soon as I have the motivation to make a song, I put it on the server and tell my neighbors to listen to the song. It's worked so far! Before I did that, I tried a free podcast software that was popular during the 90s. For me, it was a much better experience, but I was just as frustrated as you with how slow it was. I don't know what else to try, but you may feel like giving it a
